

HALEWOOD ACADEMY CHRISTMAS CONCERT

Wednesday 14th December 2022

On the evening of Wednesday 14th December, **Halewood Academy** opened its doors for the first time in over nearly two years to welcome back the annual **Christmas Concert!**

In attendance of this prestigious event were the members of the local community, the Mayor of Knowsley and many councillors from Halewood.

The audience were treated to an array of musical performances from local primary schools, including

Halewood Academy's own vocal group and school rock band. As well as local visiting artists the Luma group, with their Spanish inspired Christmas hits.

Not only were the audience treated to many audio-delights but there were readings and mince pies too!

A wonderful evening was had by all and many of the audience praised how great it was for the concert to return, so much so we are already beginning to plan to make it even bigger and better next year!
