SELF-CARE
SEPTEMBER 2023

DEAR PARENTS AND CARERS

Dear Parents & Carers,

I hope the first edition of our newsletter finds you well and you had a good summer. Welcome back to the new academic year. It has started very well and I am very proud of how our new Year 7 cohort has started. They look incredibly smart and have settled well into high school. Years 8-11 have also returned well and I look forward to the year ahead.

You will see that this newsletter contains lots of information on school attendance and rightly so. Good attendance is crucially important to students' academic and social development. Mr Day (Assistant Vice Principal) has led assemblies all week on the importance of attendance and punctuality to school. I often speak about our core values, one of which is resilience. I am asking students to show resilience and ensure they are in each and every day; I really value your support in ensuring attendance to school is a top priority. I am sure many of you have seen the articles in the news on national attendance – I want our community to strive to break that picture and demonstrate the resilience to attend school every day.

We have a dedicated team for attendance and excellent pastoral staff that will help and support you and students every step of the way. If you feel you or your child needs support to attend school or arrive on time more regularly then please contact your child's Progress Leader or Mr Day.

In this newsletter is also information on our safeguarding team so if you have any concerns in this regard then these are the people that you or your children should contact in school. You will also see support available for families during this challenging time from our household support fund and we now also have our Halewood Pantry which can be accessed.

On Thursday 21st September we held our annual Open Evening which was a great success and I am hopeful the school will be a popular choice again. Our student leaders, guides and helpers were exceptional.

Best wishes,

Mr I Critchley

Principal

ATTENDANCE MATTERS

As we are now well into the Autumn Term, we wanted to remind parents/carers about our expectations in terms of attendance and punctuality.

Last academic year we made huge improvements in terms of attendance with all year groups making an improvement on the previous academic year. To make the most out of their time in secondary school it is essential that pupils maintain good school attendance. As a school attendance is a significant focus for us and we want to remind you of our attendance procedures.

At **Halewood Academy** we expect high levels of attendance and punctuality from all of our pupils. We believe that by improving attendance we will -

-  **Ensure more of our pupils have a happy and enriched life experience**
-  **Enable pupils to achieve more at school academically, emotionally and socially**
-  **Overcome some of the challenges that we continue to face post-pandemic**
-  **Help pupils build positive, long lasting friendships and lead happy lives**
-  **Improve mental health and wellbeing of pupils and their families**
-  **Reduce child exploitation and abuse, anti-social behaviour and knife crime on our streets**
-  **Help pupils and families prosper socially and economically**
-  **Increase chances of success in further or higher education or apprenticeships**
-  **Improve employability of pupils once they leave school**
-  **Improve lifestyles and better prepare our pupils for adulthood and the world of work**

ATTENDANCE AND PROGRESS

There is a clear link between attendance and progress and as a school we expect all pupils to have excellent attendance. Research has shown that the lower the attendance of a pupil, the lower the GCSE grade at the end of Year 11.

17 days missed from school can result in one GCSE grade drop. As a result, we have set our school target for attendance at **96%** and expect all pupils to achieve this.

DAYS OFF COST GOOD GRADES

RESEARCH SUGGESTS THAT EACH 17 DAYS MISSED FROM SCHOOL, YOUR GCSE RESULTS WILL GO DOWN ONE GRADE!

Attendance Matters - *Attend Today, Achieve Tomorrow*

ATTENDANCE MATTERS

If a learner does not attend school, or is not taking part in an approved educational activity, they are classed as ABSENT from school. This means that if your child is off school for any reason, even if they are ill or have medical permission to be off school, they are classed as **ABSENT**.

100% Attendance = 190 days at school

8 days absence is 96%

12 days absence is 94%

19 days absence is 90%

29 days absence is 85%

38 days absence is 80%

47 days absence is 75%

ATTENDANCE TOP TIPS

At **Halewood Academy** we expect high levels of attendance and punctuality from all of our pupils. We believe that by improving attendance we will -

- ✔ **Ensure your child attends every day, on time, equipped and ready to learn**
- ✔ **Ensure school has up to date addresses and telephone numbers**
- ✔ **Contact school on the first morning of absence by 8:30am on 0151 477 8830 (option 1) or via email admin@halewoodacademy.co.uk and provide your reason for absence**
- ✔ **Contact the school each day of absence until your child returns to school**
- ✔ **If contact is not made for an absence, it is recorded as unauthorised. The school is responsible for deciding if the absence is acceptable or not**
- ✔ **Provide medical evidence for any absence exceeding 5 days (10 sessions) or more**
- ✔ **Ensure medical appointments are made outside of school time. If this is not possible, your child needs to be in school prior to and after the appointment. We will need medical evidence upon their return**
- ✔ **Holiday requests during term time will not be authorised. Parents who take their children out of school for a holiday may be issued with an Education Penalty Notice**
- ✔ **Contact school if you are experiencing difficulty in getting your child into school**
- ✔ **Work with the school and any other agencies to resolve any difficulties which may affect regular school attendance**

UNDERSTANDING TYPES OF ABSENCES

HALEWOOD
ACADEMY

Every half day absence has to be classified by the school (not by parent/carers) as either authorised or unauthorised. Information about the cause of any absence is always required, preferably in writing.

Authorised

Authorised absences are mornings or afternoons away from school for a good reason such as illness, medical/dental appointments which **unavoidably** fall in school time, or emergencies.

Unauthorised

Unauthorised absences are those which the school does not consider reasonable. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping pupils off unnecessarily.
- Truancy before or during the school day.
- Absences which have never been properly explained.
- Shopping, looking after other children or birthdays.
- Day trips and holidays in term time.
- Oversleeping.
- Absence to look after a sibling who is unwell.
- Confusion over term dates.

Any problems with regular attendance are best resolved between school and parents/carers and pupils.

RAG LETTERS

HALEWOOD
ACADEMY

Each half term your parents will be sent a RAG (**Red/Amber/Green**) letter informing them of your attendance with advice and guidance where appropriate. The categories are as below;

Red – 93.9% or below - Your child's attendance is a cause for concern and support where appropriate will have been or will be offered by our School Attendance Officer to address this issue.

Amber- 94-95.9% - Your child's attendance is being monitored closely by our Attendance Team and your child's Progress Leader and Assistant Progress Leader.

Green- 96% or above - Your child's attendance is excellent so far this year, we aim for all pupils' attendance to fall into this category. We hope your child is able to maintain this high standard for the rest of this academic year and we would like to take this opportunity to thank you for your ongoing support.

WHAT IS PERSISTENT ABSENCE?

HALEWOOD ACADEMY

Persistent Absence is classed as any absence that equates to over 10% of the academic year at any given time. Any learner who appears on the persistent absence list may be monitored by Knowsley Attendance Services. The thresholds are set out below:

Close of 1st half-term: 3.5 days in total

Close of 2nd half-term: 7 days in total

Close of 3rd half-term: 10 days in total

Close of 4th half-term: 12.5 days in total

Close of 5th half-term: 15.5 days in total

Close of 6th half-term: 19 days in total

The school reserves the right to insist on medical evidence in order to code any absence as authorised or unauthorised and this decision will be made on an individual basis depending on your current and historic attendance. If you are asked to provide evidence this does not need to be a letter from your doctor or consultant, and doctors will not usually provide such letters. It can, instead, be appointment cards, prescriptions, or notes of previous consultations (including from the NHS App).

The school day starts promptly at 8:30am. Note that pupils who are not present at lines/ registration/assembly by the 8:35am bell will be marked as late. Pupils who are marked as late will receive a detention that will take place on the same day. A message will be sent home informing parents/carers of the late mark and subsequent correction. Where a pupil has a record of lateness to school the detention may be escalated. Pupils who fail to attend an after school late detention will be dealt with in line with the school’s Behaviour Policy.

ATTENDANCE IN SCHOOLS

INFORMATION FROM

KNOWSLEY COUNCIL

HALEWOOD
ACADEMY

A good education will help to give your child the best possible start in life. Most children are normally educated at school and regular attendance is of vital importance. Poor school attendance damages educational achievement and the future progress of young people. Promoting and supporting good attendance at school is essential to learning and attainment.

The law

By law, all children of compulsory school age (between five and 16) are required to receive education at school or otherwise. Parents are responsible for making sure this happens, either by registering your child at a school or by making other arrangements to provide an effective education. If your child is registered as a pupil at a particular school, that school must give permission for him or her to be absent. If your child does not go to the school at which he or she is registered, the Local Authority could take legal action against you.

What can parents do to help?

Make sure that your child goes to school regularly, arrives on time and adheres to the school's rules on going to all lessons. It's a good idea to start these positive habits at an early age, while your child is in primary school.

If your child starts missing school, we recommend that you work with the school to resolve any issues that may be preventing your child from maintaining regular attendance.

Family holidays during term time

From 1 September 2013, the Department of Education changed the regulations regarding requests for family holidays during term time. The changes to the Education (Pupil Registration) (England) (Amendment) Regulations 2013 mean there is no legal entitlement for parents to take their children on holiday during term time. The new regulations also make it clear that headteachers may not authorise leave during term time unless there

are exceptional circumstances. Headteachers would not be expected to class any term time holiday as exceptional.

All requests for leave of absence in term time must be made in advance in writing on the leave of absence request form – available from the school.

The approval of leave of absence does not set a precedent for similar future requests and the frequency / duration of such leave periods will be considered as factors in any decision.

The council will use the full range of sanctions available where leave of absence is taken without the permission of the school.

The council will regularly monitor school absence during term-time and will work with headteachers to ensure parents adhere to the new legislation.

Knowsley Council

The local authority is responsible, by law, for making sure that registered pupils of compulsory school age attend their school regularly

We employ school attendance service staff to monitor school attendance and to help parents meet their responsibilities

School attendance staff work closely with schools

If your child is not attending school regularly, the school attendance service may visit you

It is important that you cooperate with the Local Authority to make sure your child overcomes his or her attendance problems and receives the best from their education

If you do not do everything you can to cooperate with the school and the school attendance service, we may have no choice but to consider instigating legal action. This could result in parents being issued a penalty notice of up to £120, fined up to £2,500 for each child who is not going to school and/or a possibility of imprisonment for up to three months.
